Dear John,

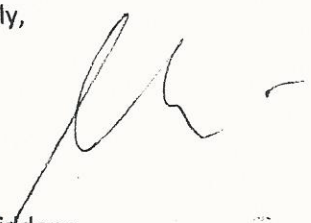

On behalf of the Board of Directors of Lake Colony Apartments III, Inc. we would like to sincerely thank you, Daniel, David, Lucius, Felix and all the men who were here to repave our parking lot. From the curbing to the new stops, the milling and the new asphalt – everything looks so good and many compliments are coming in. The men were professional and courteous.

Also, thank you for your patience with us and taking the time to see that everything went right. It was a difficult job indeed and we are quite aware of the obstacles you all encountered. We won't forget that and appreciate the extra effort.

John it's great to know you. You're a good man, a good example of faith and deep conviction. That joy shines through in everything you do and everywhere you go. I hope your family appreciates that. I do. You're the man!

We look forward to having you back when it's time to do our maintenance. Stay well. See you in a year or so.

Sincerely,

Steve Giddens  
President
