RE: HARBOUR FINANCIAL CENTER ROADWAY ASPHALT PROJECT

Dear Sir:

This is to let your company know that the Roadway Project that you completed at Harbour Financial Center was completed with ease and great efforts on behalf of your team as the owners are very pleased with the end result.

The milling of the roadway and laying of asphalt at night was amazing to watch and was completed very quickly and smoothly.

Once the asphalt was laid, the stripping was perfect and amazing against the new asphalt.

Just to let you know that I have been a Manager at Harbour Financial Center for 10 years and this was on my "Wish List" for 10 years. All of the Tenants and especially the owners of the property were greatly pleased with the "New Look" of the property.

Thanks again for the Great Work that your Company and Team did and will recommend you to anyone else that is looking for this work.

Sincerely,

Ardell Stoller
